Hannah Bakes based in Crystal Palace is a culmination of my life-long love of baking. I take pride in making my cakes look as good as they taste and I will always suggest seasonal ingredients as well as exciting flavour combinations.

My flavourings are natural ones such as lemon, orange, rose, violet, rosemary, pistachio, chocolate and turmeric. My speciality cakes include a grown-up range filled with alcohol such as tequila, prosecco, rum and amaretto.

For weddings or any other special occasion I will work with you to create a beautiful bespoke cake which reflects your personality and sense of style. I am more than happy to discuss what you would like and love any design challenge!

I can also do gluten free, lactose free and vegan cakes. I'll always try and avoid artificial colours and flavourings
